Verse 1

God made the chickens,
God made the bees,
He made all the colours,
La dee da da dee
Because...

Chorus

God loves me and he loves you too,
He made a world full of things, to see and to do,
Everything created, God said was good,
God's a very clever fellow
He made us too

"I wonder what else he can do?"

Verse 2

God made the mountains,
God made the fleas,
He made all the rainbows,
La dee da da dee
Because...

(Chorus)

Verse 3

God made the emus,
God made chimpanzees,
He made all creation,
La dee da da dee
Because...

(Chorus x 2)
