## *Verse 1*

There is One, who loves you and adores you  
There is One, who never gives up on you  
There is One, one that you can run to  
There is One, who'll always be there for you  
There is One, God's the One

## *Verse 2*

God's the One, who loves you and adores you  
God's the One, who never gives up on you  
God's the One, the one that you can run to  
God's the One, who'll always be there for you  
God's the One, God's the One

## *Bridge*

He loves you and adores you  
He never gives up on you  
He's the one that you can run to  
Who'll always be there for you  
God's the One, God's the One
