I looked into my bowl,  
and what did I see?  
My alphabet soup  
was spelling to me.  
Everything that it spelt  
seemed to be true,  
So I thought I'd come here  
and share that with you.

*Verse 2:*

I ate U, and then a P  
Y, it was so yummy  
O look, there's two Is  
Now I can C  
Y this soup is so tasty

*Verse 3:*

Jesus, now He sounds really cool,  
and You can find out more about  
Him in the Bible.  
Everyone needs to know about this  
Jesus guy,  
I wonder what I'd find out if I ate a pie?  
But food can't talk,  
we knew that all along  
But there is some truth in this silly song.
