Intro

I am so starving!
What can I have to eat though?
I've got this massive bowl of alphabet soup,
I think I'll try that...

Verse 1

I looked into my bowl, and what did I see?
My alphabet soup was spelling to me!
Everything that it spelt, seemed to be true
So I thought I'd come and share that with you

J - E - S - U - S
Jesus You love me
J - E - S - U - S
I just want to see
J - E - S - U - S
Want to see You living in me

Verse 2

I ate U, and then a P
Y, it was so yummy
O look- there's two Is
Now I can C why this soup is so tasty

(Chorus)

Verse 3

Jesus, now He sounds really cool,
You can find out more about Him in the Bible
Everyone needs to know about this Jesus guy
I wonder what I'd find out if I ate a pie
But food can't talk, we knew that all along
But there is still some truth in this silly song

(Chorus x2)
