## *Verse 1*

Chocolate, chips and ice-cream cake, I just can't get enough  
Party pies and lolly pops, clothes and shoes and stuff

## *Chorus*

There's one thing better,  
Always one thing better,  
There's one thing better,  
It's You

## *Verse 2*

I love going out with friends,  
I like rainy days at home,  
Sitting watching my TV,  
But this to me You've shown...

## *(Chorus)*

## *Bridge*

I have an Xbox and a PS2,  
I play them every day,  
I love my scooter, my computer too,  
You're more than all this play

## *(Chorus)*

## *Verse 3*

None of these things ever compare,  
To the awesome love you gave,  
I could never live without you,  
Thanks for sending Your son to save

## *Chorus 2*

You're much better,  
You're much better,  
You're much better,  
Thankyou
