Verse 1

When I'm Jesus' friend I don't look different
When I'm Jesus' friend I sound the same
When I'm Jesus' friend I don't run faster
And I definitely, absolutely, undeniably
Still make many, many mistakes

Rap

It doesn't matter if you're purple, pink or green
Or if your blue socks are stinky and need a good clean
If you're from Mornington, Ballarat or sunny Dingee
Jesus' friend is what we all can be

Instrumental

Verse 2

Being Jesus' friend means that I'm rescued
From all the wrong things that I've done before
And being Jesus' friend means that there's reason for my life
And I definitely, absolutely, undeniably
Am loved now, that's for sure

Rap

It doesn't matter if you're purple, pink or green
Or if your blue socks are stinky and need a good clean
If you're from Shepparton, Boort or busy Portsea
Jesus' friend is what we all can be

Does this make us any different?
In our looks, in our brains, or give us a bigger TV?
We know that God loves us, no matter who we are
Jesus' friend is what we all can be

Bridge

We can choose Jesus, he can be our friend
We can choose Jesus, he can be our friend
We can choose Jesus, he can be our friend
We can choose Jesus, he can be our friend
