Verse 1

I wish I didn't care where I finished in a race
I wish I didn't care if I had freckles on my face
I wish I didn't care when I feel so out of place
But Jesus always cares about me

Verse 2

I wish I didn't care if I had a mobile phone
I wish I didn't care if I had a tiny home
I wish I didn't care when I had to be alone
But Jesus always cares about me

Chorus

He cares about me (sha la la la la)
He cares about me (sha la la la la)
He cares about me (sha la la la la)
He cares about me,
Jesus cares about me

Verse 3

I wish I didn't care if I wore designer clothes
I wish I didn't care if I had pimples on my nose
I wish I didn't care about all these things I s'pose
But Jesus always cares about me

(Chorus x 2)
