## *Chorus*

God made you, God knows you  
and Love love-la-loves you  
God made you, God knows you  
and Love love-la-loves you

## *Verse 1*

God put you together, cell by cell  
Gave you your smile and your frown  
Knows you when your world is up  
And when it's upside down!

## *(Chorus)*

## *Verse 2*

God gave you your personality  
When creating you  
Knows you more than anyone  
And loves you through and through

## *(Chorus)*

## *Ending*

(MADE!) God made you  
(KNOWS!) God knows you  
(LOVES!) and Love love love love love love loves you!
